Top Metal Builders of 2018 Official Entry Form

The 29th annual listing of the Top Metal Builders will be featured in the May 2019 issue of *Metal Construction News*.

There will be two rankings—one based on square footage and the other based on tonnage of steel.

Builders, make sure your company is recognized!

Deadline: March 22, 2019

Eligibility: Only companies that act as building contractors qualify. Manufacturers and distributors do not qualify unless they hold the construction contracts.

Projects: Include red iron metal building systems only. For these rankings, a project is considered completed when your construction contract has been fulfilled. Rankings are based on projects for which you were the actual construction contractor.

Categories: Submit your square footage and/or tonnage information. You can be listed in both categories.
