Dr. Pepper Arena (formerly Frisco Hockey) is a multi-purpose sports and entertainment venue located in Frisco, Texas, and is home to the local professional NAHL team.

In addition to hockey, the facility is used for semi-professional basketball, large concerts, family shows, graduation ceremonies, trade shows and many other live entertainment events.

The arena seats between 5,000 and 7,000 people and has a 2,100 vehicle parking garage on-site. This attractive, custom metal building features architectural canopies, curved endwall conditions, and over 6,200 sf of mezzanine area.
