a **NUCOR** company

LOCATION

Lyman, SC

SIZE

20,000 sf

WALL SYSTEM

Nucor Classic Wall™

ROOF SYSTEM

Nucor VR16 II™ Standing Seam

Boasting the flexibility of a metal building with this contemporary design, Lifesong features a two-story curtain wall glass entrance with a sculptured eave and stained concrete flooring. Designed with future expansion in mind, it is comprised of two single-slope buildings surrounded by parapet walls.
