

Utah State University Equine Center

a **NUCOR** company

LOCATION

Wellsville, UT

SIZE

50,412 sf

WALL SYSTEM

Nucor Classic Wall™ w/ masonry

ROOF SYSTEM

Nucor CFR™ Standing Seam

Large enough to hold rodeos, this equine center is used to educate beginner thru advanced riders, and includes a 150x300 indoor arena, a tack room and office, with a wing for horse stalls. The ridge vent includes translucent panels for natural lighting. Accented with decorative tube steel and cantilevered eave and rake extensions, the 2,400 sf educational barn holds additional stalls and a classroom for nearly 100 students.
