

# PRODUCT BULLETIN

September 4, 2018

Nucor Building Systems is constantly seeking ways to improve our product offering and remain the low cost supplier for our Builders. We are pleased to announce an improvement to our Daylighting Program and will be offering a new Curb Mounted Prismatic Skylight model and LED lighting products.

Our new Curb Mounted Prismatic Skylight, the patented Quasar Prismatic Triarch Dome Skylight, will replace the Signature Series Dome Skylight effective immediately. The patented Quasar Triarch Skylight uses the highest UV-resistant material available in the industry with a double-glazed lens with polycarbonate over acrylic. In addition, it offers a class 4 impact zone glazing rating as standard with a 10-year hail warranty. Please see the attached brochure for additional information.

## **Standard Sizes:**

Curb Mounted Prismatic Skylights

<u>Size</u>	<u>ID Frame Call-Out</u>
6072	64 1/4" x 76 1/4"
4896	52 1/4" x 100 1/4"
24120	28 1/4" x 124 1/4"
4848	52 1/4" x 52 1/4"

**Critical Dates:** The transition to the new Quasar Prismatic Triarch Dome Skylight and lighting products will begin on September 4<sup>th</sup>. For more information contact your local Sales Representative or visit [www.nucorbuildingsystems.com/](http://www.nucorbuildingsystems.com/).

## **Our Commitment**

Nucor Building Systems is committed to ongoing improvements in all aspects of our business. This change is intended to enhance our product offerings and improve our costs and competitiveness in the market place. Your input and comments are always appreciated. If you have specific questions regarding this bulletin or any other area of our business, please contact your District Sales Manager or Project Coordinator.
