

Music Park Theatre at Hershey Park

a **NUCOR** company

LOCATION

Hershey, PA

SIZE

14,200 sf

WALL SYSTEM

Nucor Classic Wall™

ROOF SYSTEM

Nucor CFR™ Standing Seam

A focal point of entertainment at Hershey Park, the Music Box Theater is specially designed to accommodate many types of stage sets. The sheave and block beams allow for the counter weighted sets to be raised and lowered. It also has several other point loads to support hanging theatrical loads, and also includes a catwalk. The exterior is a combination of metal wall panel and split face masonry.
