

YMCA of DeKalb County

a **NUCOR** company

LOCATION

Auburn, IN

SIZE

30,000 sf

WALL SYSTEM

Nucor Classic Wall™

ROOF SYSTEM

Nucor CFR™ Standing Seam

The YMCA of DeKalb County recently underwent a major renovation and new addition to an existing facility. Its new space included fieldhouse with three indoor basketball courts, a walking track, a general fitness area, a women's wellness center, fitness rooms and a community room. The existing facility was remodeled and includes a racquetball court, fitness studios and child-watch area.

Their new addition was designed using a 30,000-square-foot pre-engineered Nucor building with Nucor Classic Wall™ panels on the exterior and a Nucor CFR™ Standing Seam roof system.
