Share Your Project Photos

Have you recently completed a project?

Did you take final photographs of the finished building?

Have you taken photos of your projects during the holidays – decorated with lights, or after a snowfall?

We want your photographs!

All year-round, NBS strives to recognize outstanding facilities constructed with Nucor Building Systems' products. You may receive recognition by having your project appear in our literature, website, eNews, and on our annual calendars through our Calendar Program.

SUBMITTING YOUR PROJECT IS EASY

With our online entry form, upload images and complete your entry in one easy step. Multiple views of your building are a plus, so upload as many project photos as you want.

Complete the online project profile and upload images at
www.nucorbuildingsystems.com/calendar

THE CRITERIA IS SIMPLE

- Any NBS project may be submitted, regardless of completion date.
- Projects previously submitted during construction may be re-submitted at final completion.
- Send as many NBS projects as you like!
- Each entry requires a completed profile/permission form.

HOW TO TAKE YOUR BUILDING PHOTOS LIKE THE PROS:

1. Set your camera to the highest quality setting
2. Do not crop, resize, or modify your photos before submitting
3. Photograph your building from all angles and sides
4. Take close-ups and distance shots, as well as interiors if possible
5. Try to time it so the sun is to your back, near dusk or dawn is best
