2024 Calendar Program Now Open

Exclusive to Authorized Nucor Builders, the Calendar Program is designed to recognize quality facilities constructed with Nucor Building Systems' products. In addition to your photos being featured in the 2024 calendar, you may receive recognition by having your project appear in our literature and website.

Submitting your project(s) is easy with our <u>online form</u>. Simply upload images and complete your entry in one stop. Multiple views of your building are encouraged, so upload as many project photos as you want.

This year's deadline is September 8, 2023.

THE CRITERIA IS SIMPLE

- Any NBS project may be submitted, regardless of completion date.
- Projects previously submitted during construction may be re-submitted at final completion.
- Send as many NBS projects as you like!
- Each entry requires a completed profile/permission form.
