Enter Projects to 2024 Calendar Program

Exclusive to Authorized Nucor Builders, the Calendar Program is designed to recognize quality facilities constructed with Nucor Building Systems' products. In addition to your photos being featured in the 2024 calendar, you may receive recognition by having your project appear in our literature, website, and social media.

Submitting your project(s) is easy with our [online form](#).

Simply upload images and complete your entry in one stop. Multiple views of your building are encouraged, so upload as many project photos as you want.

This year's deadline is **September 8, 2023**.

THE CRITERIA IS SIMPLE

- Any NBS project may be submitted, regardless of completion date.
- Projects previously submitted during construction may be re-submitted at final completion.
- Send as many NBS projects as you like!
- Each entry requires a completed profile/permission form.
- Questions? Contact us at nbsmarketing@nucor.com

Submit your projects today.

HOW TO TAKE YOUR BUILDING PHOTOS LIKE THE PROS:

1. Set your camera to the highest quality setting
2. Do not crop, resize, or modify your photos before submitting
3. Photograph your building from all angles and sides
4. Take close-ups and distance shots, as well as interiors if possible
5. Try to time it so the sun is to your back, near dusk or dawn is best
